

# Why is **COSTLESS EXPRESS**

the better, greener choice for your office supplies?

**Carbon Neutral**  
Costless Express is now a Carbon Neutral company! We manage our carbon footprint and offset our business' carbon emissions.

**More Efficiency**  
Get all your office needs, from coffee and lunchroom snacks to furniture and fax machines, from one efficient warehouse operation, instead of dozens!

**Lower Emissions**  
One delivery for all your office needs means fewer trucks on the road, for less traffic congestion and less air pollution.

**More Convenience**  
One order and one invoice takes care of all your office needs. Order by phone, fax or online. And we deliver everything the next business day!

**Less Waste**  
We use reusable red totes instead of disposable boxes. We'll even return and recycle packaging, printer cartridges, cans and bottles for you!

**Lower Costs**  
We beat our competitors prices! We'll save you time & money when ordering supplies.
